

Kivalliq Expediting & Storage Inc. KESI

Nunavut Mining Symposium 2010
Iqaluit, Nunavut
“From Ground Up”

Who are we?

KESI is a 100% Inuit owned Rankin Inlet Based company

- David Ningeongan President / Operations Manager
- Ann Makpah Vice President / Finance Officer
- Owners

Objective

- To provide reliable, top quality, on time expediting services in the winter months and secure heated storage year round to exploration, mining camps and businesses in the Kivalliq region

To use or intimate knowledge of the land and environment of the Kivalliq region while providing these services.

Where are we?

- We are located in Rankin Inlet; we established our business in July 2008
- Our secure building and fenced property is located less than a minute from the airport and less than three minutes from the dock at Itivia.

What we offer

- Heated storage space of 4,000 square feet
- 63,000 square feet of level fenced land
- Full property coverage surveillance
- Insurance coverage for material, and supplies stored
- Access 24 / 7
- Storage shelving and warehouse forklift
- Snow removal and forklift delivery services within the community of Rankin Inlet

Future Plans

Overland hauling for exploration / mining companies in the Kivalliq region

We are dedicated to providing:

- Reliable on time deliveries at competitive rates
- Receiving your goods when you want and moving them to where you want on time.
- To providing a one stop shopping environment where your materials are handled once.

Challenges

- “From The Ground Up” we have succeeded in making part of our dream a reality
- Along the way we faced numerous obstacles not the least of which was the massive downturn in the economy
- We are committed to moving forward to provide quality service, but to do so we need your commitment
- We are open for business and are willing and prepared to discuss business partnerships and opportunities throughout the Kivalliq region.

Thanks to our funders

- Aboriginal Business Canada
- Government of Nunavut, Economic Development & Tourism
- Kivalliq Partners in Development
