Our Mission Statement

VISION

- To be the Premier Northern Provider of Mining & Construction Services

MISSION

- Bringing Value to our Partners, Beneficiaries & Clients

VALUES

- Safety, Integrity, Teamwork, Respect

Committed to Northern Development

DEPENDABLE PROJECT DEVELOPMENT

NUNA Group of Companies

Our Approach

Shared Value

- A vital component to our business model is our 'shared values' approach.
- We work at the community level to align business interests & community priorities.

Partners' Strengths

- By combining our partners' strengths & Nuna's range of experience & capacity, we are able to access new opportunities that are of mutual benefit.

Opportunities & Capacity Building

- From the pre-planning stage through to successful project execution, we develop sustainable business opportunities & build capacity that continues beyond the completion of the project.

Committed to Northern Development

DEPENDABLE PROJECT DEVELOPMENT

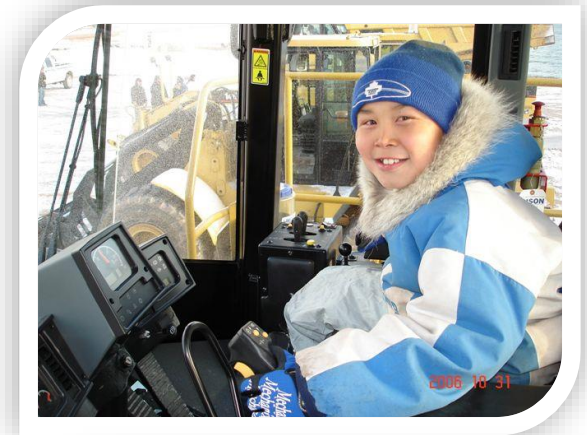

NUNA Group of Companies

Social Responsibility

The name Nuna, literally translates to mean “Land”

- Nuna’s ownership group are Impacted Beneficiaries.
- Environmental stewardship.
- Care for the safety of our employees.
- Concern over the social welfare of our beneficiaries and those affected by the projects we work on.

Monitor, report on and ensure compliance with laws, international safety standards and both internally and externally driven beneficiary employment and business engagement goals.

NUNA Group of Companies

Adding Value with a Focus

- Focus on mining and construction industry training.
- Provide training for specific work environments and remote camp life, along with equipment training.
- Training programs incorporate
 - best industry practice procedures; and
 - site-specific operational procedures.

Committed to Northern Development

of Companies

Nuna Training Technologies

Our programs are designed to:

- give students confidence for real world client expectations;
- take into account various levels of learning & comprehension (photos, illustrations & graphics);
- provide orientation of remote site workings & benefits; and
- take into account student demographics.

Committed to Northern Development

DEPENDABLE PROJECT DEVELOPMENT

NUNA Group of Companies

What Sets Us Apart?

- We consider the specific needs of individuals, communities & corporations.

- Our desire to foster sustainable Indigenous & industry opportunities.

Committed to Northern Development

DEPENDABLE PROJECT DEVELOPMENT

NUNA Group of Companies

What Sets Us Apart?

- Our instructors
 - are empowered to facilitate training outside the conventional training model;
 - receive cross-cultural awareness training; and
 - actively promote mutual understanding of different cultures.
